Venn-diagrams

Compare and contrast one disaster in New Zealand and with another worldwide disaster.

Knowledge and Remembering (Blooms)

← Alphabet Key
Use the alphabet key to brainstorm ideas about natural disasters in New Zealand and around the world. Use the alphabet key to brainstorm ideas about disaster vocabulary.

Use the Seven Servants to write about the natural disaster that you are focussing on. Each question is to contain a relevant key word.

← The What If Key (blue hat)

What if a disaster occurred at Roslyn School? Explain what would happen and why?

What if you had 5 minutes to evacuate? What you take from your home?

Draw an illustration to support your writing.

Facts and information about disasters

Think about:

• What is a natural disaster?
• Causes and effects of disasters in New Zealand
• Preparation for disasters in the future.
• Disasters of the future

← Forced Relationship Key (green hat)

A family member has broken their arm and need first aid.
• Make a splint and a sling using:
  • A magazine
  • A piece of clothing.

Applying (Blooms)

• Use a map of New Zealand and world wide map to show disasters.
• Design a brochure promoting survival kits and survival tips. You can include a checklist.
• Use ‘Blue Screen’ technology to create a poster/image about survival.

KWHL

Use a KWHL chart to brainstorm your prior knowledge of disasters.

← The Predictions Key

What do you think would happen if there was a natural disaster in Palmerston North? How might we respond differently in the future from now? Who might help in the future? How could people be made alert of a natural disaster in the future?

Understanding (Blooms)

• Explain in your own words what damage a natural disaster causes and the effect it has on people and their lives.
• Draw a flow chart to show the series of events of a natural disaster.
• Write about three occupations that are useful during a disaster.

PMI

Make a PMI chart about one aspect of a natural disaster or about a scenario about a natural disaster.

What a DISASTER!
